“We are so excited for our second season at Bold Point Park to begin and plan to at least double the number of events we hold at the waterfront venue this coming season compared to our first season,” said Michele Maker Palmieri, Founder and President of Waterfront Productions, the parent company of Rhode Island Waterfront Events. “We jumped at the chance to book ‘KIDZ BOP LIVE 2018’ as it is the ultimate family concert experience featuring today’s biggest hits sung by kids for kids. The multi-talented Kidz Bop kids headline each show, which also features innovative stage design, special effects, fan interaction, and even a parent lip-sync battle to 90’s hits. It can be the highlight of the summer for kids and parents alike.”

KIDZ BOP – *Billboard* magazine’s #1 Kids’ Artist for eight consecutive years (2010 – 2017) – connects with kids and families through its best-selling albums, music videos, consumer products and live tours. KIDZ BOP has sold over 18 million albums and generated over 1 billion streams, since the family-friendly music brand debuted in 2001. The best-selling series has had 24 Top 10 debuts on the Billboard 200 Chart; only three artists in history — The Beatles, The Rolling Stones, and Barbra Streisand — have had more Top 10 albums.
