Halsey's announcement comes hot-off-the-heels of her new single "**Alone**," featuring the swaggering **Big Sean** and Island-trailblazer **Stefflon Don**. "**Alone**" surpassed 1 million streams on both Spotify and Apple Music in three days. In the US, "**Alone**" has been added to 90 Top 40 stations in its first week. Get the track [HERE](#).

Halsey pushes creative boundaries expanding her influence and impact beyond music. High-end fashion retailer **Yves Saint Laurent** recently tapped her as a brand ambassador of YSL Beauté where she will help create and share makeup looks for the prestigious brand. She will also make her big screen debut as she joins the cast of the animated movie **Teen Titans GO!** as the voice of Wonder Woman—in theaters July 27. Also, GLAAD has nominated her for "Outstanding Music Artist." Recently, **Halsey** spoke at the 2018 Women's March advocating for equality. Her raw oration has been viewed millions of times and has moved people from around the world. Watch her speech [HERE](#).

Halsey recently graced the stage of SNL with "[Bad At Love](#)" and also performed with **G-Eazy** on their Bonnie and Clyde themed platinum-certified "**Him & I**" – a song which continues to dominate at #1 on Billboard's Pop Songs Airplay Chart and #1 at Top 40 radio (marking the second #1 she features on since accompanying **The Chainsmokers** on "**Closer**", which ruled radio at #1 for 11 weeks). In addition, her own two double-platinum-certified singles, "**Bad At Love**" and "**Now Or Never**" also peaked in the top 3 at Top 40 radio.
